

Greensburg Salem's 2021-2022

KINDERCAMP

A summer transition program for incoming Kindergarten students.

This is an opportunity for your child to experience a bit of a typical Kindergarten day with lots of fun learning activities!

Your Kindergartener will bring home an Emergency Card, which we ask you to fill out and bring back the following day.

Bussing: Bussing is available for families who live in our bussing zone. If enrolled, the bus company will be notifying families with the location and times for pick up and drop off.

We hope your child can join us!
